

Club invention®

A program of Invent Now®

Grades 2-6

Unleash the creative genius in your child!

A hands-on science and creativity after school camp so fun, they won't even realize they're learning! Participants will experiment with STEM concepts (science, technology, engineering, and math) taught by UMM student Elizabeth Newton, an Elem. Ed. major with an emphasis in grade 5-8 science.

Phys. Ed: Physics in Motion™

Inventive games are the focus of this fast-paced program of competition and entertainment. What will children create to keep gravity in check as they run a race? How will they keep a cracker and shaving cream tower from falling over? Can a parachute made of garbage bags really foil the effect of gravity and land gently? All of these questions will be answered by children during these days of physics (and physical) fun!

5 Sessions—Mon., Feb. 6, 13, 27, Mar. 5, 12
3:25-5:00 pm, Morris Elem. School Rm. A209
Cost: \$65.00 Course No. 1448

quidditch

Coming this Spring!

Are you a Harry Potter fan? Have you ever dreamed of playing Quidditch? Here is your chance! Join the UMM's Quidditch team and they will teach you the fundamentals of this fast paced, magical game!

Be watching for more information on a class starting this spring!

Ribbon Art

Grades 2-6

Youngsin Je, Instructor

Ribbon art is the design and creation of innovative, beautiful designs like hair accessories, flowers, and other little items. Through this class, students will make unique and beautiful designed accessories such as a hair clip, pony holder, head band, or key ring. Ribbon art is not only fun to do but also stimulates your brain by using your fingers for folding, scissoring and sewing ribbons.

6 Sessions—Tues., Jan. 10,17,24,31, Feb.7 & 14
Time—3:20-4:00 pm
Location—ECFE Parent Ed Room
Cost—\$25 (which covers all materials)

Registration Info & Forms on page 8

Egg Rolls

Grades K-6 with accompanying parent/guardian & Grades 7 through Adult

Have you ever wanted to learn how to make your own egg rolls? It is not as difficult as you think! We will demonstrate how to make egg rolls and then you will get a chance to try. This is a hands on cooking class. Grades K-6 must be accompanied by parent/guardian and grades 7 through adult are welcome to attend. Supplies will be provided.

1 Session—Tuesday, March 6—6:30-8:00 pm
HS Home Ec. Room

Grade 7 through Adult
\$8/per person—Course No. 2228

Grades K-6 with parent
\$12/per 1 child/parent—Course No.2228a

Additional child with parent/child combination
\$4/per additional child—Course No. 2228b
