## Exploring Korean Culture

Grades 3-6  
Youngsin Je

It is important for our students, the future leaders of our global society, to be given opportunities to explore different cultures. "Exploring Korean culture" is an after school program that will introduce students to South Korea culture. The class is designed to engage and raise awareness about interesting Korean cultural facts. Students will have the opportunity to understand as they learn about Korean folklore music such as gugak, samulnori and K-POP, Korean animations, traditional dances such as buchaechum(fan dance), sogochum(drum dance) and games, Korean foods and world heritage of Korea. These experiences will allow students to gain an in-depth understanding and acquire new knowledge about one of the world's vibrant cultures.

About the Instructor—Youngsin Je lives in Morris and her hometown is Seoul, South Korea. She is very excited to know M.A.E.S students and looks forward to meeting them.

Dates—Thurs., Jan. 12, 19, 26, Feb.2, 9, 16.

Time—3:20-4:10 pm,

Location—Elem. School Parent Education Rm.
