

Prairie Wetlands Learning Center

Monday, January 23rd

(No school day)

Looking for something fun and perhaps different to do on this non-school day? Education knows no hibernation! Just because the weather is getting colder it doesn't mean we have to stop learning about the world around us. Join us for a fun filled day at the Prairie Wetlands Learning Center in Fergus Falls. Students will have the opportunity to learn about nature journaling and the basic techniques of nature sketching. Students will also find and examine winter bugs! Wear warm winter clothing (coat, snow pants, boots, mittens, hats) and pack a lunch. Parents are welcome! Please indicate on your child's registration if you plan on coming.

SCHOOL BUS LEAVES: 9:00 am

Morris Area Elementary School Main Entrance

RETURN TIME: approx. 3:00 pm

COST: \$8.00 COURSE NO. 1456

Registration Deadline is January 17
